

High aspirations - Valuing learning – Achievement for all

Curriculum Vision – Part 6: “Progression”

Our children will become enthusiastic and skilful artists, sportspersons, mathematicians, writers, readers, linguists, scientists, musicians, historians, geographers and designers.

The acquisition, progression and deepening of important knowledge and skills is outlined within the ‘Progression. As pupils advance, their ability to apply skills across subject disciplines and contexts greatly improves.

Part 6 of the Curriculum Vision, “Progression”, details the knowledge, understanding and skills progression within each state of being; they are usually presented with details of the contextual curriculum.

- Readers – *National Curriculum*
- Writers - *National Curriculum*
- Mathematicians - *National Curriculum*
